JW Marriott Parq Vancouver and The Douglas, an Autograph Collection

British Columbia, Canada

The cognac-tinted windows of this signature building on the shores of False Lake in the heart of Vancouver belie a bevy of surprises. Inside, two distinct hotels welcome guests and attendees with 60,000 sq. ft. of meeting space, a discreet two floors of casino space and a 30,000-square-foot park that hangs six stories in the air. Hidden away in the D/C lounge is a secret meeting space behind a bookcase. No password required.
